

From Dennis's Desk

Hope everyone is enjoying a great summer. This is the season for summer concerts, and we have some nice ones scheduled. Old Home Day is fast approaching and there will be many activities for young and old. We are seeing good progress being made on the police station renovation and the library addition. We hope both will be completed by year end. We are also reconstructing the lab and office at Blodgett Sewer Treatment Plant. Our new fire truck and highway trucks have been ordered and delivery will come in the future.

This is my last newsletter column as I am retiring in August. I want to thank all the dedicated and hardworking staff of the town and thank all of the great volunteers that made my job so much easier. I'll miss your friendships, but you will always be a part of me.

Updated July 8, 2023
Newbury Old Home Day

Please contact Syd Bryk at recreation@newburynh.org if you have any questions.

2023 Summer Camps
Email Syd Bryk at recreation@newburynh.org for any questions.

Athlete Week

Date: Monday July 10th – Friday July 14th

Time: 9 a.m. – 2 p.m.

Location: Fishersfield Park

Who: Ages 6 – 12 or Grades 1st – 5th

Cost: Newbury Residents: \$150

Non- Residents: \$160

If you have a child who enjoys athletic games this is the camp for them! We will spend the week challenging their athletic abilities. Join us for a week of basketball, tennis, soccer, capture the flag, relay races, and many more.

Nature Week

Date: Monday July 17th – Friday July 21st

Time: 9 a.m. – 2 p.m.

Location: Fishersfield Park

Who: Ages 6 – 12 or Grades 1st – 5th

Cost: Newbury Residents: \$150

Non-Residents: \$160

During this week campers will be immersed in activities about the nature that surrounds them. We will spend this week exploring Fishersfield hiking trails and other natural resources. We will play games and create projects that involve using the outdoors as a resource.

Arts and Crafts Week

Date: Monday July 24th – Friday July 28th

Time: 9 a.m. – 2 p.m.

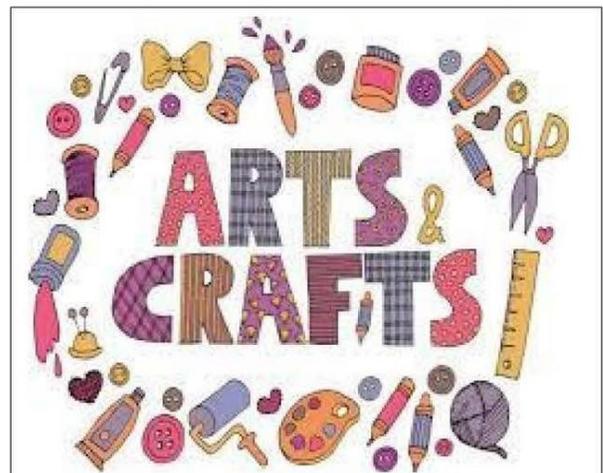

Location: Fishersfield Park

Who: Ages 6 – 12 or Grades 1st – 5th

Cost: Newbury Residents: \$150

Non-Residents: \$160

Campers will spend the week creating projects using a wide variety of materials. Making projects in nature and within our building! This is a chance for campers to be creative.

Newbury Town Wide Yard Sale

Please join us for Newbury's first town wide yard sale on September 9th, 2023 from 9:00am to 2:00pm in the Newbury town office parking lot.

Only Newbury town residents will be able to participate in selling items.

Everyone is welcome to come down to the town office to look around and purchase items.

To reserve your spot at the town office (limited number of spots) or have your name added to the flier if you choose to do a yard sale at your home that day and want to be included as part of the town wide yard sale, please visit our website: newburynh.myrec.com

To rent a spot at the town office for the day: \$12
To have your address on a flier for your yard sale at your home that day: \$5

Newbury Beautification Committee

“Flowers always make people better, happier and more helpful. They are sunshine, food and medicine for the soul” (Luther Burbank). And so the Newbury Beautification Committee continues with its commitment to the “beautification of the community while supporting endeavors that will enrich family life and promote and strengthen community pride.”

As you drive through Town take notice of the hanging baskets, provided by Kathan Gardens, and the window boxes and barrels filled with colorful blooms all carefully chosen and cared for by NBC members. Every morning from May through September watch for our “flower power” watering cart as members take turns watering and feeding all the flowers. The cart now has a new light bar which has been installed for the safety of our volunteers who do the watering along 103 from the fire station to the harbor. And in South Newbury, NBC volunteers water the barrels at the ladder sign and in front of the three town owned buildings; Town Hall, Sherman Hall and the Grange. The sign had some damage due to wind and rain through the winter. The water damage was repaired, water-proofed and touch-up paint was applied. A committee of 5, Ted, Jones, Stu Hale, Mike Beaton, Steve Peterson and Dennis DeAppolonio, re-installed the sign. Thank you gentlemen.

In May, we held our second Meet and Greet prior to our General Meeting. It was nice to see current members and some who have just joined our ranks and even some thinking about joining. Our Membership Chair, Sharon Stockel is always willing to talk to anyone interested in learning more about NBC. She can be reached at S54theo@gmail.com. We have many husband and wife teams, retirees, snowbirds and those who hold jobs and have a limited amount of time to contribute. The coffee and donuts were excellent with enough left over to feed a few town employees and the highway department.

Every year we offer a scholarship to a deserving Newbury student graduating from KRHS, a private school or one who is home schooled. We had several applicants this year and the winner will be announced at the high school graduation. At this writing we cannot divulge the recipient but we will do a follow up in a separate Intertown Record announcement.

NBC members will be marching in the July 4 parade and we will also have a booth at the Newbury Old Home Day event where you will be able to ask questions about this fun loving and dedicated group of committed Newbury residents. Did you know we are not limited to gardening; we also aid and support various Newbury activities? Trunk or Treat, Thanks for Giving, the lighting of the Town Christmas tree, Museum passes and co-sponsorship of various Library programs.

This will be our 3rd Annual Garden Award Program. There are 3 award categories. NBC members, Town businesses and 2 to residents of Newbury. Submissions are by photographs, not more than 3, and must have the property address, owner’s name and phone number. Photos should be emailed to ewollensak@me.com and to sbedard@theclublife.com by July 25. The winners will be presented their plaque the first of August and can be displayed for one month. Any questions please feel free to email either of the emails above. *“Every garden is unique with a multitude of choices in soils, plants and themes. Finding your garden theme is as easy as seeing what brings a smile to your face”* (Teresa Watkins)

Police Department

Update on renovation of the Police Station:

- All the plumbing is in.
- Concrete is complete inside.
- The footings are in for the new entrance.
- Next week - the interior framing will start.

Our goal is to complete the renovation by November 2023. We are still open for business during this process, please use the side door and ring the door bell.

And always remember if you see something, say something, because it could be important.

Upcoming Town Office Closings

Monday, June 19

Tuesday, July 4

Monday, September 4

Library Happening's

Join us for a presentation on Monday June 26th at 6pm by Drs. Carl Cooley and Seddon Savage on climate science and how our climate affects our health, including extreme heat, pollen, allergens, air pollution, extreme weather, vector-borne disease, and what we can do as individuals and as a society. Free and open to the public.

We are excited to partner again with the Center Meeting House for the Annual Speaker Series, kicking off with the film, *The Forgotten Forrest Primeval* on June 19th at 7pm at the Center Meeting House. This year's topics cover "Hard Times in the Granite State", from pauper auctions to poor houses, alien abductions and more! It should be a great season. You can find the full line-up on the Center Meeting House website or on our website.

Wednesday June 28th at 2pm we will have a drop-in beading program at the library. All ages are welcome and all materials are provided. This program is free.

Our Friends of the Library Old Home Day Book Sale is from 10-2pm outside the library. We take book donations year-round, while the library is open: see a librarian for more information on what we accept.

Our book discussion meets on Sunday July 16th at 3:30pm at the library. This month's title is *Horse* by Geraldine Brooks and copies are available at the library. All are welcome to attend.

If you haven't checked out the Poetry Walk at the Fells, it is up for the season. The Poetry Walk is an outdoor seasonal poetry installation that is a collaboration between the Fells and the Newbury Library. More information can be found on our website: <https://newburyhlibrary.net/poetrywalk/>. More summer programs can be found on our website and on our Facebook page!

We also want to introduce a new member to our staff, Emma Brown. Emma is our new Assistant Director, having graduated very recently with a Masters of Science in Library and Information Science from Syracuse University! We are very excited to have her join our team. We hope you will be able to stop by and welcome her to the Newbury community!

ALL TOGETHER NOW! THE NEWBURY PUBLIC LIBRARY SUMMER READING PROGRAM

Grades 1-5

WEEK 1 ~ July 5th @ 1PM

Science Heroes: Saving Earth Together

Talewise-Science Tellers

THANKS FOR GIVING
Environmental Stewards: Land, Lake, and Lore
Sunday, November 19, 2PM

TREE LIGHTING Sunday, December 5. 5PM

Fire Department News

NH Fish and Game Safe Hiking Presentation was a Big Success.

Thirty-seven people packed the training room on May 17 at the Newbury Fire Station for Conservation Officer James Cyr's talk on being safe while hiking on Mount Sunapee and other hiking trails throughout the state.

Officer Cyr discussed each of the ten steps of the Hike Safe code, gave details on several search and rescues that involved Fish and Game. Officer Cyr demonstrated some of the rescue equipment that may be used and discussed the other agencies involved in searches. There were several questions from the audience that he answered, and he went over hiking websites where people could get additional information. The presentation was co-sponsored by the Newbury Fire Department and the Newbury Library.

Always let someone know where you will be and when you will return.

As was discussed in Officer Cyr's presentation and was very evident in a recent search and rescue call. Anyone hiking the trails or swimming or kayaking, paddle boarding, or windsurfing out on the water should always inform a relative or friend where they will be going and when they expect to return.

Recently Newbury Fire Rescue was requested to respond with a boat to Pleasant Lake in New London for a report of a missing swimmer, who had not been seen in two hours. The Newbury boat crew along with rescue boats from New London, Sunapee and Hanover searched the lake for close to an hour until one of the boats located the individual swimming in the center of the lake. The person was brought to shore, checked by the ambulance crew then reunited with their family. This incident turned out well and no one was hurt, but swimming calls do not always turn out this way. Please always keep others informed of your plans and time of return.

Fire Permits are Required by Law

Remember, fire permits are required for outside wood burning fireplaces and fire pits. Apply for and print your seasonal permit at NHFirePermits.com

Fire Department Continued

In an Emergency, If you Cannot Call, Text 911

There are trails on Mount Sunapee as well as parts of Newbury where there is no cell service or where cell service is poor, but texting 911 in an emergency will go through.

If you are in a situation when it isn't safe for you to speak, you are unable to speak or you have poor cell service, you can reach 911 via text. Just type "911" in the to field and you will be connected to one of the 911 expert telecommunicators who will text with you to connect you with the help you need. Please describe the nature and location of the emergency right away.

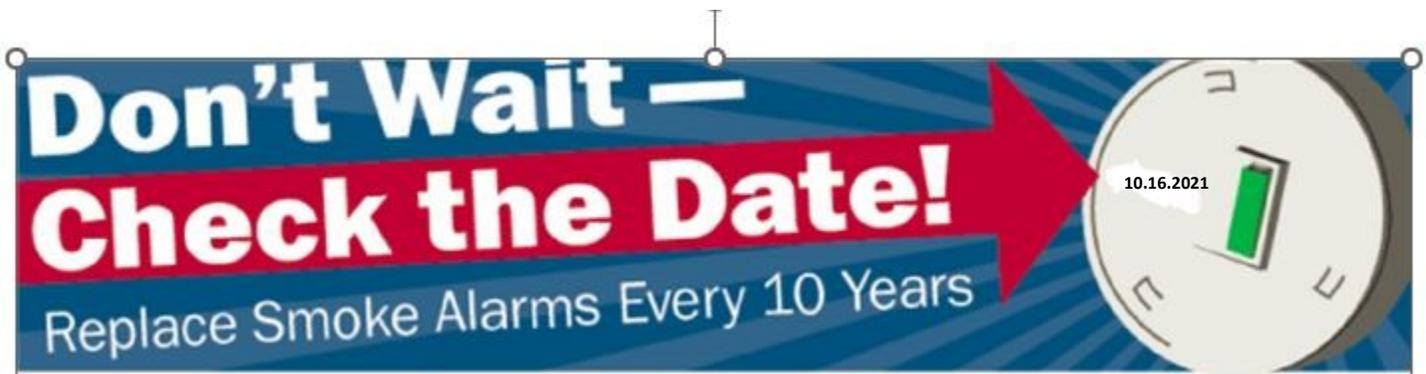

Fireworks Permits

Permits are required from Newbury Fire Rescue for all fireworks displays in the Town of Newbury. To apply for a fireworks permit, go online to the Newbury Fire Rescue website: www.newburyfd.org and in the green box at the top of the page click on "**Fireworks Permit Request Form**" fill out the information, which will be sent to the fire department. If you have been issued a fireworks permit in the past, you will receive a renewal permit confirmation by email. If this is your first permit application, you will be contacted to schedule an inspection of the fireworks display site to confirm that it meets the NH & Newbury Fireworks safety setback requirements. Once the satisfactory inspection is complete a fireworks permit will be issued. The date and location of fireworks permits that are issued are posted on the website. Please keep in mind that fireworks are not permitted after 10:00 PM in accordance with the Town of Newbury Noise ordinance.

Smoke Detectors have an Expiration Date

Did you know that if the smoke detectors in your home are over ten years old and the Carbon Monoxide (CO) detectors are over 7 years old they should be replaced. The newer smoke detectors with a sealed battery also need to be replaced after ten years. Each smoke detector has a date of manufacture on the back and by checking the label you can determine when replacement is needed. After the indicated number of years, the detectors lose their sensitivity and may not immediately sound as they are designed to smoke or carbon monoxide in the house.

CELEBRATE LSPA'S 125TH ANNIVERSARY

125 Years of Caring for Our Waters

- June 20, 5:30 pm at Wheeler Hall, Colby-Sawyer College - A Bright Future for Lake Sunapee: A Conversation with Laura Knoy and Lake Scientists.
